North Shore Garden Club is Chicago's famous gardening organization, which was founded in 1916, nearly 100 years history. Members include from Lake Forest to Evanston and adjacent suburban residents who interest in gardening. The club's aim is through education, participation in charity to promote gardening culture. NSGC President is Lee Frank. North Shore Garden Club

Centennial Cerebration Garden Walk is organized by the Garden Walk Committee, co-chair are Jessica Lundevall and Deborah Zions who were in charge of the event planning. The garden walk also cooperate with volunteer coordinators Judy Heyman and Barbara Volin who coordinated more than twenty volunteers to participate in this activity for hospitality and gardening commentary.

North Shore Gardening Club had selected seven north shore gardens for Centennial Cerebration Garden Walk. Among them the Shee Sculpture Garden (888 and 910 Bob-O-link Road) located at Highland Park fusions beauty of art creation and landscape and is the most unique garden in north shore. Shee sculpture garden by Dr. Shee who meticulously put the garden together with uphold the "Love, Peace and Hope" of art belief to complement the large-scale outdoor sculptures and oil painting exhibition inside Highland Musée, Dr. Shee personally planted all kinds of beautiful plants, by using the flowers and greenery to bring out the perfect fusion of humanities and natural of the artistic garden. Over the years, the sculpture garden as planned to add exotic trees and flowers, to complement the outdoor sculptures by Dr. Shee. Now the trees-lined, flowers blooming, Shee garden becomes one of the most beautiful North Shore Highland Park Gardens. Sculptures in the garden accompany with different kinds of flowers and trees, blooming from the early spring to late autumn flowering season, flowers continue to bloom as the seasons change, creating the beauty of different seasons. It has been enthusiastically enjoyed by visitors and the residents of Highland Park community.

Shee Highland Musée has been years silently conveying the idea of "love • peace and hope"; started off from Life is Art, Art is Life, to wish in establishment of a high-quality platform for cultural exchanges, by gardening, visual art, music, architecture to construct a model of perfection, to create a field of life aesthetics, leading numerous lovers of gardening, art and music into a deeper spiritual realm.

The North Shore Garden Club specially selected in June, of flowers in full bloom season, to held the Centennial Cerebration Garden Walk. Dr. Shee has specially invited two young musicians (Krista Hagglund & Anna Hirons) from Midwest Young Artists Conservatory to perform live harp duet in the garden. Accompanied by the melodious music, the beautiful gardens, adding a bit of artistic beauty, the whole space is filled with art and elegant atmosphere, leaving all visitors a relaxing mood. in Shee Sculpture Garden, to enjoy the flowers heartily, to enjoy the nurtured of the music, art and culture, and had a great time on gardening, art and music festival.

At 10:30 am visitors for Garden Walk started to arrive Highland Musée Sculpture Garden, viewing Dr. Shee's outdoor sculptures, and listening to harp duo. North Shore Garden Clubs prepared fine refreshments for the visitors to Shee Highland Musée Sculpture Garden, so that all the participants in the garden walk being in the most romantic artistic garden fully enjoy the good time of combination of gardening, art and music. Although there were floating down a dash of rain the day for the garden walk, but no matter under blue skies or drizzling, this garden with the term of "Love, Peace and Hope" always be able to cause the eyes to light up! After all the guests communicate and share gardening experiences with each other, and moving by the art of music, they left with unforgettable good memories and said goo-bye with each other.

Each art and cultural exhibition has its value, only to witness by your own eyes, after the depth of feeling and then will deeply understand the beauty of art and culture, and also its value. Do you have touched by heart? Welcome you to have the opportunity to the most beautiful Shee Highland Musée to feel "Love, Peace and Hope", the art of living.
